NOHRLUND COCKTAILS

ESPRESSO MARTINI 65,-

The combination of coffee liqueur, vodka, and the fresh, fruity and bitter taste notes of the cold-brewed coffee forms the basis for a cocktail with a sharp character. This is complemented by a sweet vanilla and a hint of licorice, which gives a very special rounding to the cocktail.

Alk: 8,5%

MOJITO 65,-

Mint, lime and rum. You know the drill!

Alk: 8,5%

MANGO SMASH 65,-

Ripe and juicy mangoes combine with tangy citrus notes, while the distinctive hint of juniper from the gin adds depth. All in all, an exceptional exotic drink

Alk: 6,5%

GIN & TONIC 65,-

A people's favorite made from an organic premium gin with prominent flavors of wild juniper. Juicy citrus counterbalances the bitterness of the sparkling tonic water. Together, it makes a harmonious long drink.

Once upon a time...

OUR STORY

2018

After making burgers since 1989 and training as a restaurant manager, I experienced a gradual reduction in my own participation in the core service - i.e. more office and less "floor". That's why I thought it was time to live out a dream that I've had since I was very small. Namely, being a waiter and cook in my own café.

I have always loved cooking and I have always loved food. Preferably something with a bit of complexity on the taste palette - I hope that comes through - and I have many fun ideas that will probably not be to everyone's taste. And that's not the idea either.

I have opened the "Kabyssen - The Pantry" to have fun, enjoy the beautiful view, the coffee, the creativity and your company!

2024

This is the 5th year for Kabyssen - The Pantry ApS - Still going strong! This year we are happy to announce that we have started a collaboration with Isøre Icecream. We now offer 4 flavours with local character, organic and handmade and Isøre has quality and taste as their absolute highest priority. I hope your taste buds will agree.

The range on the menu is still mainly burgers - which is my passion - and we are constantly developing new varieties. Over the summer, however, we stick to the classics, that we ensure high quality at a reasonable fast pace. At least that's the goal. We have been promised the lease until 2032, so unless we are completely washed away during the winter storms, we have many good years ahead of us!

And Remember

"Everyday should be Saturday"
